New Wichita Location

In an effort to meet the varied needs of our families, we now have an office in Wichita, which is available to you and your caregivers. This office location provides you with another option to meet with us to fill out paperwork, meet to discuss caregiver needs, and provides an interview and training location for potential or current caregivers. Our office hours are still by appointment, so be sure to call before you stop by. If you do stop by and we are not in the office, you may leave paperwork or a message with the building receptionist and she will make sure we get the information when we return.

New Wichita office location: In the Omni Business Center
